IMPORT/EXPORT SECTION SUPERVISOR

Cyntec's supply of product is subject to customer's warranties and compliance of applicable Exporting Regulations and End-Use Certification for Export Compliance. Customer shall comply, at its own expense, with the U.S. Exporting Laws, Foreign Corrupt Practices Act, and all sanctions laws, import and export laws, restrictions, national security controls and regulations of the United States and any applicable foreign agency or authority (individually and collectively "Laws"). Customer warrants that it is not designated or otherwise subject to economic sanctions or other restrictions pursuant to any Laws and that no individual or entity designated or otherwise subject to economic sanctions under any Laws owns a 50% or more interest in Customer, and does not control the Customer, directly or indirectly. Customer shall notify Delta immediately of any change that affects the foregoing sentence. Customer shall not import, export or re-export, or authorize the export or re-export of the software, Cyntec product or any other product, technology, or information that it obtains or learns hereunder, or any copy or direct product thereof, in violation of any Laws or without any license or approval required thereunder. Any and all obligations of Customer to provide the Cyntec product or any other product, technology, or information hereunder shall be subject to all respects to such Laws.
